

CO-CURRICULAR ACTIVITIES

ABPS, Budawada believes in holistic development of children. It is rightly said that “Empty vessels make much noise”. In order to make our students a brim field vessel, we tried to conduct few competitions only due to adverse condition during this pandemic. This will help us to groom the youth of our country and make them the leaders of 21st century. The need of hour is that we do not require only intellectuals and individuals well-found with high professional degrees but we also require people who have character and who have been tutored in an environment where lot of emphasis has been given on understanding life skills and humanistic values.

The various co curricular activities conducted during the session 2021-2022 are:

*Calligraphy competition- class 6 to 10

*Essay writing : class6 to10

*Poem recitation: class 1 to 5

*Solo song competition: class 1 & 2

*Group dance competition: class 3 to 10
