

THE ADITYA BIRLA PUBLIC SCHOOL, BUDAWADA

SCHOOL ACTION PLAN –2022

Education to be complete must be humane; it must include not only training of the intellect but also refinement of the heart and the discipline of the spirit. As an educational institution we believe that education is dynamic, natural, progressive and systematic change that occurs in human beings and involves self realisation, self knowledge and self understanding. Dedicated to excellence, we are committed to groom future leaders and useful dynamic global citizens.

SCHOOL ACTION PLAN

- 1.To be Strong agent of change by making positive difference in the lives of all we teach.
- 2.To achieve high level of academic achievement for all students and ensure 100% learning
- 3.Sharing of the best practices for the growth of institution.
- 4.Student centred learning for holistic development of children.
- 5.Updating of technology and development of portal to share resources .
- 6.To establish collaboration to translate ones principles into daily life by being a mentor.
- 7.Bench marking and building with the best system in the education world.
- 8.Random quiz and reading session should be included in class room teaching.
- 9.English speaking by each and every student is our prime objective.
- 10.Interaction of sports and CCA in academics.
- 11.Inculcate reading habits through Library activities like book review and storytelling.
- 12.Initiation of the process for renovation of school infrastructure.
13. Inculcate healthy life style and keeping fit.

14.Focus on fine “Cs” for education.

- Creativity
- Critical thinking
- Communication
