

The Aditya Birla Public School, Kesrol

Action Plan

- Foster academic excellence and holistic development by maintaining high standards and promoting real-world skill application.
- Cultivate a dynamic learning environment by encouraging interdisciplinary education and nurturing essential 21st-century skills.
- Ensure student well-being and safety through comprehensive safeguarding measures, regular physical activities, and mental health initiatives.
- Commit to ongoing teacher development and professional growth to strengthen educational effectiveness and holistic learning approaches.
- Continuously enhance infrastructure and integrate evolving technologies to support effective teaching, learning, and collaboration.
