

Aditya Birla Sr. Secondary School, Nagda

Admissions

The academic session begins from the 1st of April every year and extends till the end of March. Application forms may be obtained from the office from the second week of February. On the availability of vacancy in any of the classes, the candidates go through a pre-assessment, which consists of an interview and a reasoning test examining his level of understanding. The candidate must do reasonably well to qualify in the merit list. In order to take the assessment students must be registered by the second week of March. This is a firm deadline.

Requirement at the time of admission-

- Students usually enter the school when they are of a minimum 3 years and 6 months old as on 31st March of the year of admission.
- Admission to higher classes is purely on merit and will be based on the performance in entrance test.
- Once the child is selected for admission, the fee amount is to be deposited by the due date, failing to which the admission will stand cancelled.
- At the time of admission, parents will be required to submit a transfer certificate in original counter signed by the District Inspector of Schools (if the child's previous school is not affiliated to CBSE) and a photocopy of the mark sheet.
- The date of birth once recorded will not be changed. Date of birth certificate (in case of class Nursery only) to be submitted should be issued from the Registrar Birth and Death.
